and a Vritti in the Nagamangala Taluk

The Uttaradi Matt is seen from the Quit-rent Register ~~&c~~ endowed with the the marginally noted 3 Inam villages ~~for~~ in the Seringapatam Taluk for the support of the Matt.

The petitioners state that the Sri Vidyadhisa Sripadangalavaru has consecrated an Anjaneya idol in the Sri Uttaradi Matt at Seringapatam and for the proper conduct of puja and feeding appointed 18 persons to attend to services in the matt and also laid down instructions ~~regarding~~ as to how the services had to be conducted. To supervise the charities established and to manage the

e matt villages, the Swami is stated to have ap-
pointed an Agent on a pay of Rs12.

Purushottama char who was Agent and
Sarva Shikari of the matt for a time is reported
to have died and it is also alleged that he was not
conducting the matt affairs properly and that since
his death, the affairs are said to be in a still worse condition.

The petitioners pray that a respectable Vaidika
Agent well conversant with the customs of the matt
may be appointed to supervise the charities etc and
to conduct the services in accordance with the terms
of the Nirup of the Swamiji alavaru who established
the Charities.

an order directing the temporary
attachment of all the Land endowments

Note continued :—

The draft docket as directed by the Secretary was issued calling for further information from the Dy Commr of Mysore as to the income from the inam lands, in whose enjoyment they are & how the affairs are at present managed. Meanwhile, two other petns on the same subject were received in this Office & these were also forwarded to the Dy Commr for report.

The Dy Commr has submitted a detailed report in the matter together with the Veni records bearing on the subject from which it is observed as follows :-

ack 5) His letter no 8 dy 23.3.1905

In Govt Pro: no 1621-34 dy 9th Nov:

inted copy put up Flag 71

One, the Govt in declining to recognize the succession of Vedanidhi Jayathar as Swamy of the Sri Uttaradi matt, directed among other things the temporary attachment of the inam villages of Hirimaralli, Chickamaralli & Revinkuppe in the Sreerangapatna Taluk endowed to the matt. He should accordingly took charge of these villages. Thereupon certain disciples petitioned Govt representing that the Puja & other services of Sri Rama Devaru & Sri Prana Devaru in the Uttaradi matt at Sreerangapatna which were discontinued might be revived. This has been enquired into & the Dy Commr reports that the revenues of the 3 villages above named endowed for the upkeep

of the Sri Uttaradi matth as Devadaya, assigned by the Priest of the matth exclusively for feeding Brahmins & for Deepara Thane & the Devarums in the matth at Seeranagapatam, an Agent of the matth being entrusted to look after its affairs. In col. 20 of the Inam Regr., a Copy of which is in the File, it is observed that during the Inam Settlement the inam was directed to be registered in the name of the Head matth at Hole Narasipur.

* Vide V.

The annual income from these villages is stated to be about Rs 2145. The Amildar has submitted proposals regarding the expenditure required which is estimated at Rs 1956-13-9 per annum leaving a saving of Rs 188-3-2 per annum. But the Asst Comml in Charge of the French Rocks Division states that the Estimate presupposes the collection of the whole Jamabundy & that the expenses are very extravagant. The adoption of a suitable scale of expenditure is left to Govt.

From the Inam Register

It is further observed that at the time of the Inam settlement in 1879, the Agent of the matth requested the Inam Assistant

Muzrai Secretariat. | File No. of 190

to register the villages in question in the name of the Sri Uttradi matt at Holenarsipur but- that certain Brahmins complained to him that the villages had been in the enjoyment of the matt at Saranganpatnam for "a century and more" and that the Priests of the Head matt had assigned the grant existing for feeding Brahmins and for Deparadhane service of Seema Sowcars and Ramandavars at the time in the matt. They appeared to have produced sunnad papers in support of their allegations, one of the documents so produced being a Sanad issued by Dewan Baboo Rao in 1832. The Assistant Mr Syed Nasrooden thereupon was kind enough of opinion that

MGCPB—3,500—15-10-04

Muzrai Secretariat. File No. of 190

that the villages were exclusively assigned for feeding Brahmins and for Dasparadhane Service at Srirangapatam. The Inam Capt. ~~Col.~~ Colonel Robert Cole however observed that the original "grant was made to the Hindu matt at Narasipur and" that "there was no separate grant at Srirangapatna It therefore directed that "the Inam should be registered in the name of the Hindu matt" with the remark, however, that the present enjoyment and disposal of the revenues ~~shall~~ be left undisturbed". Thus it is clear that the revenues of these 3 villages were intended for the Exclusive benefit of the matt at Srirangapatam.

As regards the income of the villages and the expenditure incurred

therefrom

Muzrai Secretariat. | File No. of 190

B

Average per annum Rs 2154-3-5

therefrom, it is observed from the statement submitted by the Amildar (which is in the file of vernacular records) that the receipts from these 3 villages for 5 years from the year Vikari amounted to Rs 10771-1-4 and that the amount paid in cash towards Local Fund, Peishi &c was Rs 2511-12-9 leaving a balance of Rs 8259-4-7 for expenditure in the matt. This gives an average of Rs 1651-13-8 per annum for matt expenditure ~~allowed~~

From the statements given by one Krishnachar (perhaps the local Agent at Tiruvengadapuram) it appears that the following expenditure was being incurred in the matt previous to the time when the 2 more villages came under ~~the~~ Govt-management in November 1904.—

Matt. The average annual income is Rs 2154-3-5 and the Amildar has sent up a list of ex-penditure amounting to Rs 1956-13-9 per annum as deposed to by two persons named Krishna Char and Vitobachar, but it appears from the vernacular records that so much was not being spent by the former Agents of the Matt. I have therefore reduced some of the amounts (vide pencil notes at pages 8 to 10 above) with the view of having a saving every year for repairs &c and also for providing for a Manager or Parpattegar of the institution on Rs 10/- a month, an appointment which seems very necessary to ensure proper Supervision. The

accompanying draft which deals fully with the matter is submitted for approval. The arrangements proposed may be tried tentatively for one year.

It does not appear from the vernacular records that there is any paid Darpattegar at present although one Vithobachar calls himself so. I have ventured to recommend as a temporary measure, one of the applicants named Srinivasa Murtiachar, Vyjika Parpattegar of the Uttaradi Matt, now out of employ, to be the new Darpattegar of the branch Matt at Srirangapatam as he will probably infuse new life into the Institution and see that the Services & Charities in it are duly performed.

~~Yesterday~~ from one Vithobachar of Sreerangapatam stating that the expenses of Deepa radhane at the matt have not been received for six months and that worship will stop from ~~today~~ the 27th. In the absence of the Dewan from Bangalore and with the view of saving time, I have asked the Deputy Commissioner to arrange for the continuance of worship as heretofore and to apply to this Office for any money that may be required for the actual expenses incurred in the past. There was no intimation to this Office till now that any inconvenience was being felt in this behalf After the final orders now

As directed by the Dewan I waited upon him today. He was pleased to generally approve of the proposals, but remarked that out of the large no of minor allowances proposed under Neelakatha, only the amounts named in the margin may be sanctioned, and all the rest omitted. As regards the Puja Brahmin, I was directed to enquire personally at Sringapatam whether there are one or two and to provide pay for them accordingly. I shall make

Muzrai Secretary's Remarks.

I inspected this Institution on the 11th June last and found that 12 persons were actually doing duty there, instead of only 7 who were originally put down in the list. I have therefore now taken them on the list showing the Establishment, at an additional cost of about Rs 10/- per mensem. There are two separate Archaks, one for Sri Ramadevaru and another for Sri Anjaneyadevaru. Both these have been provided for at Rs 1-8-0 each per mensem.

Under Hechukatle, I have, as directed by the Dewan, excluded all minor items, and retained only the large ones, but have ventured to provide Rs 10 for Navarathri and Rs 5 for Karthikamasa

MGCPB—3,500—15-10-04

Muzrai Secretariat. | File No. of 190

as additional expenditure for lighting lamps will be incurred. I have at the same time reduced the provision for Madhva Navami from Rs 20/- to Rs 10/-. The net result is that there will be an annual expenditure of Rs 1,776-13-9 instead of Rs 1757-13-9 as originally intended. It is respectfully submitted that the scale now recommended maybe kindly sanctioned. It is only temporarily fixed for one year, and after that period, a revision may, if needful, be made.

The original draft, with a revised Statement attached is submitted for approval.

No 308
- do - 1st

Dated, Mysore, 23rd March 1905

To

L. Ananthaswami Row Esqr. B.A
Secretary to the Government
of His Highness the Maha Raja
of Mysore Mysore Department
Bangalore

Sir,

In reply to your docket No: 1816 dated the 24th November 1904 forwarding petition received from the residents of Srirangapatam praying that a Vaidika Agent well conversant with the customs of the Matt may be appointed to manage the affairs of the Uttaradi Matt at Srirangapatam and calling for certain particulars thereon, and subsequent communications ending with docket No 3038 dated 18th Feb/05 thereon, I have the honor to state as follows:-

2 The affairs of the Matt at Srirangapatam were

were being managed by one Purushotama ch
ance deceased, as agent and after his dea
by his son Vyasachar.

There Inam villages and a Vritti as per
margin now under Government management
(Vide Government Proceedings No. 1621-34 dated
9-11-04) are endowed for the upkeep of the
Institution

3 A reference to the Title Deed received
from the Agent and filed with the records
(Trichi No 11) shows that the endowment is deva-
-daya and that the Priest of the Head matt
has assigned the revenues of the above
named villages exclusively for feeding
Brahmins and for Deparadhana Service
of (Purana) Rama devaru in the matt, the
agent of the matt being entrusted to look after
its affairs.

4 In this connection I beg to state that
some disciples of the matt at Srirangapatam
petitioned to the Amildar of the same Taluk
that the feeding of the Brahmins at the matt
had ceased from the 19th November 1902 and
re

and
A vritti in the Channaya village

requested that the Puja of Sri Rama Devaru and Krsna Devaru in the matt might be continued to be performed as before and the feeding of the Brahmins be received arrangements being also made for their feeding for 3 days commencing from 2nd Febpy when the Aradhana ceremony of the Sri Swamigalavaru is to be performed.

5 The Amildar after due enquiry has furnished a list of expenditure amounting to Rs 1956-13-9 per year as detailed in the margin

1454-8-0 for fees & expenses
502-5-9 Govt. do and Establishment
1956-13-9

6 The estimated income from the resumed villages amounts to Rs 2145- 0-0 per year. deducting the expenditure viz Rs 1956-13-9, the net Savings per year is Rs 188-3-2. The Assistant Commissioner in charge of the Irruch Rocks division states that the estimate presupposes the collection of the whole Jamabundy and makes no allowance for any arrear that may remain uncollected and that the feeding and Puja expenses as per list furnished by the Amildar are based on very extravagant scale of expenditure and a most scale of ex-

expenditure that may be decided upon by the Honorary Secretary as has been allowed to other Mutts similarly situated may be adopted.

7) As regards the feeding on the occasion of the Aradhana for 3 days commencing from 2nd February 1905, separate orders have already been issued to the Taluk Amildar direct from your Office and copies whereof have been sent to this Office with the marginally noted communications.

34 dated 30-1-05
48 dated 30-1-05
76 dated 1-2-05

8) The enclosures received with your communications under reply are herewith returned together with the file of records bearing on the subject received with Inam. No 1061 dated 23rd January 1905 from the Assistant Commissioner, French Rocks Division.

9) A petition dated 22nd December 1904 with one enclosure received from V Vyasa Char B. A; son of the late Agent Purushotama Char, praying that he may be appointed by Government as Agent to manage the es-

Estates endowed to the Riath an
also herewith submitted for favour of orders.

I have the honor, to be,

Letter no 308 dated 23rd March 1905 from the Dy Commissioner, Mysore District, reporting on the affairs of the Bramhi Vittumadi matt at Thirumagoodlu

Order :- No 1986 To-/ 11.05

All the land endowments of the the Vittumadi matt at Thirumagoodlu Hobli - Narasipur having been temporarily attached and brought under the management of Government in the Mysore

Fisheries Department, in
pursuance of the Govt-
Proc no 1621-34 dated 9th
November 1904, the marginally-noted
three villages and a Vritti,
endowed to the said
Matt, were also brought-
under Govt-management.
The Dy Comr now reports
that the villages and
the Vritti in question have
been specially set apart
for the maintenance of
the Matt at Sreerangapatna,
although they are registered
in the name of the Head
Matt at Holenarasipur
and that, prior to their
being taken under Govt-
management, the expenditure
incurred

incurred in the matter at Swarmigputtum was being met from the income of these land endowments.

2. From the Swami Register it appears that, at the time of the Swami settlement in 1879, the question as to whether the land endowments in question were intended for the benefit of the Hindu public at Holumsingpet or for the Brahmin public at Swarmigputtum, came up before the Swami Superintendent and that a Sanad issued by Devaraya

Duncan Baker Rao in
1832 was produced
before him by the Brahmins
at Srirangapatam
in support of their
Contention, that the
Villages were in the enjoyment
of the Branch mutt.
The Sunnud Supt, Major
Cole, decided that,
there being no Sunnud
from at Srirangapatam,
the Sunnud should be
registered in the name
of the Head mutt, with
the remark, however,
that "the present
enjoyment and disposal
of the revenues [illegible]
should be left undisturbed".

Thus

The income from the main lands ~~I have it is said land~~ in question will, under these ~~the Board does have no~~ circumstances, be utilized for ~~the enjoyment of the~~ the exclusive benefit of the ~~Pa~~ branch Math at Seringapatam ~~I have quoted for~~

~~as much as 93 Gross~~

3. ~~From the statement~~ received ~~from~~ with the Dy Comr's letter it is observed, that the receipts from the three villages in the Srirangapatna Taluk for 5 Fasls from the Fasl Vikari amounted to Rs 10771-1-4, giving an average annual income of Rs 2154-3-5 and that an expenditure of Rs 1453-13-9 per annum was being incurred

incurred therefrom,

including the local

cess to be payable to Govt

it- is reported

But- ~~hardly~~ ~~[illegible]~~

that- the list- of expenditure
is not an authenticated one, having been
~~to~~ given by one Krishnachar,

one of the matt disciples

at- Sringeripuram,

~~[illegible]~~

and
~~is~~ not- certified to by

any officer. It- is further

brought- to the notice

of Government- that-,

when Purushottamachar,

who was the Agent-

of the matt (- since deceased)

was looking ~~after~~ after

the matt's affairs at-

Sringeripuram, he

was not- conducting

the

the services properly
The Assistant-Comr
of the French-Rocks
Division characterizes
the above mentioned
scale of expenditure
as extravagant and
the Dy Comr ~~therefore~~
proposes that a similar
scale may now be
fixed by Government
~~for expenditure in~~
~~the south~~

4. In these circum-
-stances, the Govt-
are pleased to direct-
as a temporary measure,
the adoption, of the
scale ~~as~~ detailed
in the appended state-
-ment, which provides

provides for expenditure under the main heads as follows:—

	Rs as p	
(i) Establishment-charges per annum	~~316-8-0~~ ~~196-8-0~~	412-9-0
(ii) Contingencies Expenses do		720-0-0
(iii) Miscellaneous do	~~219-0-0~~	
(iv) Local cess to be payable to Govt- do		502-5-9
Total per annum	~~1757-13-9~~ ~~1637-13-9~~	
		1776-13-9

5. Provision has now been made for the entertainment of a Government Surveyor on Rs 10 per mensem to keep regular accounts and personally look to the proper application of the funds sanctioned and

to
ensure the due performance
of the services, leading
he in the result. He will
work under the direct-
orders of the Auditor
of Accounts, who
should personally
supervise the working
of the institution from
time to time and see
that regular accounts
are kept. (6) // The arrangement
now made will be
temporary for one year
on the expiry of which
a detailed report
should be submitted,
showing the actual
~~expenditure~~ cost incurred
under each head of expenditure so that
a further revision may be effected, if needful.

7. For the new appointment of a Government Pensioner on Rs 10 per mensem, the Government are pleased to nominate Sreemoora Muthyachar, Vydiki Pensioner of the Uttamadi mutt (who is one of the applicants) temporarily for a period of one year, on the expiry of which a report should be submitted as to his manner of conducting the duties of the office.

8. The management of the villages will rest with the Amildar of the Taluk

Taluk as headquarters.

9. The expenditure now fixed, which amounts to Rs ~~1767-13-9~~ 1637-13-9 per annum leaves a balance of ~~Rs 396-5-8~~ Rs -(~~1-11~~) annually ~~which should be~~ It must be reserved for periodical repairs and unforeseen expenditure of the mutt.

10. ~~The~~ It is not known what income is derived from the Vritti at-augmentation and how it is being utilized at present ~~and cannot be known~~. The Dy Comr of the augmentation District is requested to report on this point.
